[Coram: S. Domah (J.A) A. Fernando (J.A), M. Twomey (J.A)**]**

Civil Appeal SCA30/2012

(Appeal from Supreme Court Decision 238/2011)

Link Trade Point Co. (Pty) Ltd

Appellant

Versus

ABC Trading (Pty) Ltd

Respondent

Heard: 08 April 2015

Counsel: Pesi Pardiwalla for Appellant

Basil Hoareau and Frank Ally for Respondent

Delivered: 17 April 2015

Order

M. Twomey (J.A)

1. Counsel have agreed that the Appeal before the Court contains several procedural errors committed by both parties in this matter. They have agreed that a compromise should be sought to resolve the issue at large, namely that an order issued to the Seychelles Licensing Authority on the behest of the Respondent against the Appellant should not have been sought or granted.

2. In the circumstances we make the following Order:

The Order made by the Supreme Court on 29th December 2011 that the Chief Executive

Officer of the Seychelles Licensing Authority not renew or issue a new licence to anyone or to any tenant of the shop units GF6, GF7, and GF8 situated on parcel PR 5881 at Baie Ste Anne Praslin and registered under the Condominium Property Act is set aside.

3. We make no order as to costs.
