SENTENCE

- [1] The Convict in this case has pleaded guilty to one count of robbery with violence. He is a first time offender and of course as he has pleaded guilty has saved the Court's time and expense of a trial. He has indicated that he is prepared to compensate the victim for the loss that was caused by the robbery which is a sum of SR2700 plus \$20.
- [2] There is another person also who took part in this offence who has not turned up today. I will deal with him later. So for the purpose of the 1st Convict I sentence him as follows:

- (1) 18 months imprisonment plus a fine of SR2000 which shall be paid on completion of the sentence. Out of this fine SR1400 shall go to the victim.
- (2) As compensation the other half will come from the other person if he is convicted.
- (3) He is entitled to remission and time spent on remand shall form part of the sentence imposed.

[3] He has 30 working days to appeal against the sentence.
