LAND RECLAMATION NOTICE

Mr. Willy Nancy acting on his own behalf has applied for authority, under Section 2 of Land Reclamation Act to fill in and reclaim an area of the foreshore of approximately 167 square meters at Anse Etoile, Mahe adjacent to parcel H5619.

The proposed area to be reclaimed is bounded on the Northern, Eastern, Southern and South Western side by the sea, and North Western side by the parcel H5619.

The area to be reclaimed is demarcated as follows:

POINT NAME	EASTINGS	NORTHINGS
MX617	328906.11	9492394.67
W1	328913.05	9492390.69

W2	328903.11	9492372.33
MX618	328896.20	9492376.37
MX617	328906.11	9492394.67

All distances are approximate.

The plan of the area to be filled in and reclaimed deposited with this application, may be inspected at the Seychelles Planning Authority's Office at Independence House.

Any person having any objections to the proposed reclamation on any grounds specified in paragraph 5 of the 1st Schedule of the Act may lodge his or her objection in writing to the Chief Executive Officer Planning Authority at the Planning Authority's Office, Independence House no later than 14 days from date of the first publication of this notice.

Govin Pillay (Mr.)
Senior Engineer
FOR: CHIEF EXECUTIVE OFFICER

No. 335 of 2019

LAND RECLAMATION NOTICE

Mr. Franky Jean acting on his own behalf has applied for authority, under Section 2 of Land Reclamation Act to fill in and reclaim an area of the foreshore of approximately 740 square meters at Petit Paris, Mahe adjacent to parcel S139.

The proposed area to be reclaimed is bounded on the Northern, Eastern and Southern by the sea, and Western side by the parcel S139.

The area to be reclaimed is demarcated as follows:

POINTNAME	EASTINGS	NORTHINGS
BL52	332807.03	9484882.29
CRN1	332815.84	9484891.71
CRN2	332822.37	9484878.03
CRN3	332833.43	9484832.40
BL56	332822.86	9484827.75
BL52	332807.03	9484882.29

All distances are approximate.

The plan of the area to be filled in and reclaimed deposited with this application, may be inspected at the Seychelles Planning Authority's Office at Independence House.

Any person having any objections to the proposed reclamation on any grounds specified in paragraph 5 of the 1st Schedule of the Act may lodge his or her objection in writing to the Chief Executive Officer Planning Authority at the Planning Authority's Office, Independence House no later than 14 days from date of the first publication of this notice.

Govin Pillay (Mr.)
Senior Engineer
FOR: CHIEF EXECUTIVE OFFICER

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF BANK AL HABIB LIMITED - SEYCHELLES BRANCH

This report is made solely to the members of Bank AL Habib Limited - Seychelles Branch (the "Branch"), as a body, in terms of our engagement to conduct the audit on their behalf. Our audit work has been undertaken so that we might state to the members those matters which we are required to state to them in an Auditors' Report and for no other purpose...To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the members as a body, for our audit work, for this report, or for the opinions we have formed.

Report on the Audit of the Financial Statements

Opinion

We have audited the attached financial statements of the Bank AL Habib Limited - Seychelles Branch set out on pages 5 to 41 which comprise the Statement of Financial Position at December 31, 2018, the Statement of Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the financial statements set out on pages 5 to 41 give a true and fair view of the financial position of the Branch at December 31, 2018 and of its financial performance and its cash flows for the year then ended in accordance with international Financial Reporting Standards (IFRS), Financial Institutions Act, 2004 as amended, the regulations and directives of Central Bank of Seychelles and comply with the Companies Act, 1972.

Basis of Opinion

We conducted our audit in accordance with International Standards on Auditing ('ISAs'). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Branch in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) together with the ethical requirements that are relevant to our audit of the financial statements in Seychelles, and we have fulfilled our other responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other information

The Branch Management is responsible for the other information. Our opinion on the financial statements does not cover the other information and we do not and will not express any form of assurance conclusion thereon. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed on the other information that we obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Branch Management for the Financial Statements

The Branch Management is responsible for the preparation of the financial statements in accordance with International Financial Reporting Standards ('IFRS'), the Financial Institutions Act, 2004 as amended, the regulations and directives of Central Bank of Seychelles and in compliance with the Seychelles Companies Act, 1972 and for such internal control as the Branch Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, the Management is responsible for assessing the Branch's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management either Intends to Ilquidate the Branch or to cease operations, or has no realistic alternative but to do so. Those charged with governance are responsible for overseeing the Branch's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Branch's internal control.
 Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Branch's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Branch to cease to continue as a going concern.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Financial institutions Act 2004, as amended

The Financial Institutions Act, 2004, as amended, requires that in carrying out our audit, we consider and report to you the following matters. We confirm that: (i) In our opinion, the financial statements have been prepared on a basis consistent with that of the preceding year and are complete, fair and properly drawn up and comply with the Financial Institutions Act, 2004 as amended and Regulations and Directives of the Central Bank of Seychelles; (ii) The explanations or information called for or given to us by the management and employees of the Branch were satisfactory; and (iii) The Branch did not carry out any fiduciary duties for the year under review.

Componies Act, 1972

We have no relationship with, or interests, in the Branch other than in our capacity as auditors, tax and business advisers and dealings in the ordinary course of business. We have obtained all information and explanations required for the purpose of our audit. In our opinion, proper accounting records have been kept by the Branch as far as it appears from our examination of those records and comply with the provisions of the Seychelles Companies Act, 1972.

Other matter

The financial statements of the Company for the year ended December 31, 2017 were audited by another auditor who expressed an unmodified opinion on April 27, 2018.

BANK OF CEYLON (SEYCHELLES)

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS

This report is made solely to the members of BANK OF CEYLON (SEYCHELLES) (the "Branch"), as a body, in terms of our engagement to conduct the audit on their behalf. Our audit work has been undertaken so that we might state to the members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the members as a body, for our audit work, for this report, or for the opinions we have formed.

Report on the audit of the Financial Statements

Opinion

We have audited the financial statements of BANK OF CEYLON (SEYCHELLES) (the "Branch"), on pages 4 to 52 which comprise the Statement of Financial Position as at December 31, 2018, and the Statement of Profit or Loss and Other Comprehensive Income, Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the Financial Statements on pages 4 to 52 give a true and fair view of the financial position of the Branch as at December 31, 2018, and of its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards and comply with the Companies Act, 1972.

Emphasis of Matter

Compliance with the Financial Institutions-Credit Classification and Provisioning Regulations 2010, as amended 2011

Due to the adoption of IFRS 9 -"Financial Instruments", the Branch could not comply with the provisions of the Financial Institutions-Credit Classification and Provisioning Regulations 2010 as amended in 2011 which is still based on the requirements of IAS 39 and not yet updated for those of IFRS 9. Any impact following this update is to date unknown.

Our opinion is not qualified in respect of the above matters.

Basis of Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Branch in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) together with the ethical requirements that are relevant to our audit of the financial statements in Seychelles, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

BANK OF CEYLON (SEYCHELLES)

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Implementation of International Accounting Standard (IFRS) 9 - Financial instruments

The Branch adopted the accounting standard IFRS 9 Financial instruments during the financial year. The standard introduces new requirements around two main aspects of how financial instruments are treated measurement and classification and impairment.

IFRS 9 introduces a new classification and measurement approach for financial assets that reflects the business model in which the financial assets are managed and the underlying cashflow characteristics.

This standard also introduces new impairment rules which prescribe a new, forward looking, expected credit loss ('ECL') impairment model which takes into account reasonable and supportable forward looking information, which will generally result in the earlier recognition of impairment provisions.

There are a number of significant management determined judgements including:

- the reclassification of financial assets in accordance with the Branch's business model;
- determining the criteria for a significant increase in credit risk;
- techniques used to determine probability of default (PDs) and loss given default (LGD); and factoring forward looking assumptions.

Implementation of IFRS 9 required some technical modelling which necessitated considerable input of data and assumptions. Consequently the risk that the data and assumptions carry higher credit risks.

The implementation had the effect of an adjustment of SR 1.2m to the retained earnings of the Branch as at January 1, 2018.

How the key audit matter was addressed in the audit

- We gained understanding of the Branch's key credit processes comprising granting, booking, monitoring and provisioning and tested the operating effectiveness of key controls over these processes;
- For provision against exposures classified as Stage 1 and Stage 2 upon initial adoption of IFRS 9, we
 obtained an understanding of the Branch's provisioning methodology, assessed the reasonableness of the
 underlying assumptions and the sufficiency of the data used by the Management.

Key Audit Matters (Cont'd)

How the key audit matter was addressed in the audit (Cont'd)

With respect to classification and measurement of financial assets and financial liabilities, our audit
procedures comprised the following;

We reviewed the Branch's IFRS 9 based classification and measurement of financial assets and financial liabilities policies and compared them with the requirements of IFRS 9;

- We obtained an understanding and checked the Branch's business model assessment and the test on the
 contractual cash flows, which give rises to cash flows that are 'solely payments of principal and interest
 [SPPI test] performed by the Branch's Consultant; and
- . We checked the appropriateness of the opening balance adjustments.

With respect to impairment methodology, our audit procedures comprised the following;

- We obtained an understanding of the Branch's internal rating models for loans and advances and reviewed the rating validation report prepared by the Branch's Consultant to gain comfort that the discrimination and calibration of the rating model is appropriate. Further, we performed procedures to ensure the competence, objectivity and independence of the Branch's Consultant;
- We checked the appropriateness of the Branch's determination of significant increase in credit risk and the resultant basis for classification of exposures into various stages;
- For a sample of exposures, we checked the appropriateness of the Branch's staging:
- We checked and understood the key data sources and assumptions for data used in the Expected Credit Loss (ECL) models (the Models) used by the Branch's to determine impairment provisions;
- For forward looking assumptions used by the Branch's management in its LGD calculations, we held
 discussions with Management and corroborated the assumptions where publicly available information
 was used;
- We checked the calculation of the Loss Given Default (LGD) used by the Branch in the ECL calculations, including the appropriateness of the use of collateral and the resultant arithmetical calculations;
- We checked the completeness of loans and advances, off balance sheet items, investment securities,
 placements and other financial assets included in the ECL calculations as of 31 December 2018; We
 understood the theoretical soundness and tested the mathematical integrity of the Models;
- For data from external sources, we understood the process of choosing such data, its relevance for the Branch's and the controls and governance over such data;
- Where relevant, we used information System specialists to gain comfort on data integrity:
- We checked consistency of various inputs and assumptions used by the Branch's Management to determine impairment provisions; and

As a result of the above audit procedures, no material differences were noted.

BANK OF CEYLON (SEYCHELLES)

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS (CONT'D)

Responsibilities of Directors and Those Charged with Governance for the Financial Statements (Cont'd)

The Branch Management is responsible for the preparation and fair presentation of the financial statements in accordance with International Financial Reporting Standards and in compliance with the requirements of the Companies Act., 1972, and for such internal control as is necessary to enable the preparation of the financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Branch Management is responsible for assessing the Branch's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Branch or to cease operations, or have no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Branch's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists: Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures
 that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Branch's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Directors.

BANK OF CEYLON (SEYCHELLES)

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS (CONT'D)

Auditor's Responsibilities for the Audit of the Financial Statements (Cont'd)

- Conclude on the appropriateness of Branch Mangagments' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Branch's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Branch to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Other Legal Regulatory Requirements

Companies Act, 1972

We have no relationship with, or interests, in the Branch other than in our capacity as auditors and dealings in the ordinary course of business.

We have obtained all information and explanations we have required.

Financial Institutions Act, 2004, as amended and Regulations and Directives of the Central Bank of Seychelles

The Financial Institutions Act, 2004, as amended and Regulations and Directives of the Central Bank of Seychelles requires that in carrying out our audit, we consider and report to you the following matters. We confirm that:

- In our opinion, the financial statements have been prepared on a basis consistent with that of the preceding year and are complete, fair and properly drawn up and comply with the Financial institutions Act, 2004, as amended and Regulations and Directives of the Central Bank of Seychelles except as discussed under the Emphasis of matter paragraph.
- The explanations or information called for or given to us by the employees of the Branch were satisfactory.
- The Branch did not carry out any fiduciary duties for the period under review.

BANK OF BARODA - SEYCHELLES BRANCH

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS

This report is made solely to the members of BANK-OF BARODA - SEYCHELLES BRANCH (the "Branch"), as a body, in terms of our engagement to conduct the audit on their behalf. Our audit work has been undertaken so that we might state to the members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the members as a body, for our audit work, for this report, or for the opinions we have formed.

Report on the audit of the Financial Statements

Optinion

We have audited the financial statements of BANK OF BARODA - SEYCHELLES BRANCH (the "Branch"), on pages 4 to 51 which comprise the Statement of Financial Position as at December 31, 2018, and the Statement of Profit or Loss and Other Comprehensive Income, Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the Financial Statements on pages 4 to 51 give a true and fair view of the financial position of the Branch as at December 31, 2018, and of its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards and comply with the Companies Act, 1972.

Emphasis of Matter

Compliance with the Financial Institutions-Credit Classification and Provisioning Regulations 2010, as amended 2011

Due to the adoption of IFRS 9 -"Financial Instruments", the Branch could not comply with the provisions of the Financial Institutions-Credit Classification and Provisioning Regulations 2010 as amended in 2011 which is still based on the requirements of IAS 39 and not yet updated for those of IFRS 9. Any impact following this update is to date unknown.

Our opinion is not qualified in respect of the above matters:

Basis of Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Branch in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) together with the ethical requirements that are relevant to our audit of the financial statements in Seychelles, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS

Key Audit Matter

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

implementation of International Accounting Standard (IFRS) 9 - Financial instruments

The Branch adopted the accounting standard IFRS 9 Financial instruments during the financial year. The standard introduces new requirements around two main aspects of how financial instruments are treated - measurement, and classification and impairment.

IFRS 9 introduces a new classification and measurement approach for financial assets that reflects the business model in which the financial assets are managed and the underlying cashflow characteristics.

This standard also introduces new impairment rules which prescribe a new, forward looking, expected credit loss ('ECL') impairment model which takes into account reasonable and supportable forward looking information, which will generally result in the earlier recognition of impairment provisions.

There are a number of significant management determined judgements including:

- the reclassification of financial assets in accordance with the Branch's business model;
- determining the criteria for a significant increase in credit risk;
- techniques used to determine probability of default (PDs) and loss given default (LGD); and factoring forward looking assumptions.

implementation of IFRS 9 required some technical modelling which necessitated considerable input of data and assumptions. Consequently the risk that the data and assumptions carry higher credit risks.

The implementation had the effect of an adjustment of SR 804k to the retained earnings of the Branch as at January 1, 2018.

How the key audit matter was addressed in the audit

- We gained understanding of the Branch's key credit processes comprising granting, booking, monitoring and provisioning and tested the operating effectiveness of key controls over these processes;
- For provision against exposures classified as Stage 1 and Stage 2 upon initial adoption of IFRS 9, we obtained an understanding of the Branch's provisioning methodology, assessed the reasonableness of the underlying assumptions and the sufficiency of the data used by the Management.

Responsibilities of Directors and Those Charged with Governance for the Financial Statements (Cont'd)

The Branch Management is responsible for the preparation and fair presentation of the financial statements in accordance with international Financial Reporting Standards and in compliance with the requirements of the Companies Act , 1972, and for such internal control as is necessary to enable the preparation of the financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Branch Management is responsible for assessing the Branch's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Branch or to cease operations, or have no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Branch's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- identify and assess the risks of material misstatement of the financial statements, whether due to
 fraud or error, design and perform audit procedures responsive to those risks, and obtain audit
 evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not
 detecting a material misstatement resulting from fraud is higher than for one resulting from error,
 as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override
 of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of expressing an
 opinion on the effectiveness of the Branch's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Directors.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF

SEYCHELLES INTERNATIONAL MERCANTILE BANKING CORPORATION LIMITED

This report is made solely to the members of Seychelles International Mercantile Banking Corporation Limited (the "Bank"), as a body, in terms of our engagement to conduct the audit on their behalf. Our audit work has been undertaken so that we might state to the members those matters which we are required to state to them in an Auditors' Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the members as a body, for our audit work, for this report, or for the opinions we have formed.

Report on the Audit of the Financial Statements

Opinion

We have audited the attached financial statements of the Seychelles International Mercantile Banking Corporation Limited set out on pages 5 to 66 which comprise the Statement of Financial Position at December 31, 2018, the Statement of Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the financial statements set out on pages 5 to 66 give a true and fair view of the financial position of the Bank at December 31, 2018 and of its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRS) and in compliance with the Companies Act 1972, the Financial Institutions Act 2004, as amended and the regulations and directives of Central Bank of Seychelles.

Basis of Opinion

We conducted our audit in accordance with International Standards on Auditing ('ISAs'). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Bank in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) together with the ethical requirements that are relevant to our audit of the financial statements in Seychelles, and we have fulfilled our other responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

SEYCHELLES INTERNATIONAL MERCANTILE BANKING CORPORATION LIMITED

Report on the Audit of the Financial Statements Continued.

Other information

The Bank Management is responsible for the other information.

Our opinion on the financial statements does not cover the other information and we do not and will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information that we obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Directors and Those Charged with Governance for the Financial Statements

The Directors are responsible for the preparation of the financial statements in accordance with International Financial Reporting Standards ('IFRS') and in compliance with the Companies Act 1972, the Financial Institutions Act 2004, as amended and the regulations and directives of Central Bank of Seychelles and for such internal control as the Bank Directors determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management is responsible for assessing the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management either intends to liquidate the Bank or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Bank's financial reporting process.

SEYCHELLES INTERNATIONAL MERCANTILE BANKING CORPORATION LIMITED

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures
 that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
 effectiveness of the Bank's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Bank to cease to continue as a going concern.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

SEYCHELLES INTERNATIONAL MERCANTILE BANKING CORPORATION LIMITED

Report on Other Legal Regulatory Requirements

Companies Act, 1972

We have no relationship with, or interests in, the Bank, other than in our capacity as auditors and dealings in the ordinary course of business.

We have obtained all information and explanations we have required.

Financial Institutions Act 2004, as amended and Regulations and Directives of the Central Bank of Seychelles

The Financial Institutions Act, 2004, as amended and Regulations and Directives of the Central Bank of Seychelles requires that in carrying out our audit, we consider and report to you the following matters. We confirm that:

- (i) In our opinion, the financial statements have been prepared on a basis consistent with that of the preceding year and are complete, fair and properly drawn up and comply with the Financial Institutions Act, 2004 as amended and Regulations and Directives of the Central Bank of Seychelles.
- (ii) The explanations or information called for or given to us by the management and employees of the Bank were satisfactory.
- (iii) The Bank did not carry out any fiduciary duties for the year under review.

Other matter

The financial statements of the Company for the year ended December 31, 2017 were audited by another auditor who expressed an unmodified opinion on April 19, 2018.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF

THE MAURITIUS COMMERCIAL BANK (SEYCHELLES) LIMITED

This report is made solely to the members of The Mauritius Commercial Bank (Seychelles) Limited (the "Bank"), as a body, in terms of our engagement to conduct the audit on their behalf. Our audit work has been undertaken so that we might state to the members those matters which we are required to state to them in an Auditors' Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the members as a body, for our audit work, for this report, or for the opinions we have formed.

Report on the Audit of the Financial Statements

Opinion

We have audited the attached financial statements of The Mauritius Commercial Bank (Seychelles) Limited set out on pages 5 to 58 which comprise the Statement of Financial Position at December 31, 2018, the Statement of Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the financial statements set out on pages 5 to 58 give a true and fair view of the financial position of the Bank at December 31, 2018 and of its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRS) and in compliance with the Companies Act 1972, the Financial Institutions Act 2004, as amended and the regulations and directives of Central Bank of Seychelles.

Basis of Opinion

We conducted our audit in accordance with international Standards on Auditing ('ISAs'). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Bank in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) together with the ethical requirements that are relevant to our audit of the financial statements in Seychelles, and we have fulfilled our other responsibilities in accordance with these requirements and the IESBA Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

THE MAURITIUS COMMERCIAL BANK (SEYCHELLES) LIMITED

Report on the Audit of the Financial Statements Continued

Other information

The Bank Management is responsible for the other information.

Our opinion on the financial statements does not cover the other information and we do not and will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information that we obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Directors and Those Charged with Governance for the Financial Statements

The Directors are responsible for the preparation of the financial statements in accordance with International Financial Reporting Standards ('IFRS') and in compliance with the Companies Act 1972, the Financial Institutions Act 2004, as amended and the regulations and directives of Central Bank of Seychelles, and for such internal control as the Bank Directors determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management is responsible for assessing the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management either intends to liquidate the Bank or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Bank's financial reporting process.

THE MAURITIUS COMMERCIAL BANK (SEYCHELLES) LIMITED

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Bank's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Bank to cease to continue as a going concern.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

THE MAURITIUS COMMERCIAL BANK (SEYCHELLES) LIMITED

Report on Other Legal Regulatory Requirements

Companies Act, 1972

We have no relationship with, or interests in, the Bank, other than in our capacity as auditors and dealings in the ordinary course of business.

We have obtained all information and explanations we have required.

Financial Institutions Act 2004, as amended and Regulations and Directives of the Central Bank of Seychelles

The Financial Institutions Act, 2004, as amended and Regulations and Directives of the Central Bank of Seychelles requires that in carrying out our audit, we consider and report to you the following matters. We confirm that:

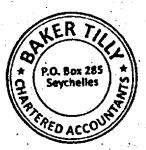

- (i) In our opinion, the financial statements have been prepared on a basis consistent with that of the preceding year and are complete, fair and properly drawn up and comply with the Financial Institutions Act, 2004 as amended and Regulations and Directives of the Central Bank of Seychelles.
- (ii) The explanations or information called for or given to us by the management and employees of the Bank were satisfactory.
- (iii) The Bank did not carry out any fiduciary duties for the year under review.

Other matter

The financial statements of the Company for the year ended December 31, 2017 were audited by another auditor who expressed an unmodified opinion on March 26, 2018.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF

DEVELOPMENT BANK OF SEYCHELLES

This report is made solely to the members of Development Bank of Seychelles (the "Bank"), as a body, in terms of our engagement to conduct the audit on their behalf. Our audit work has been undertaken so that we might state to the members those matters which we are required to state to them in an Auditors' Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the members as a body, for our audit work, for this report, or for the opinions we have formed.

Report on the Audit of the Financial Statements

Opinion

We have audited the attached financial statements of the Development Bank of Seychelles set out on pages 5 to 57 which comprise the Statement of Financial Position at December 31, 2018, the Statement of Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the financial statements set out on pages 5 to 57 give a true and fair view of the financial position of the Bank at December 31, 2018 and of its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRS), Development Bank of Seychelles Decree 1977, the Financial Institutions Act 2004, as amended, the Financial Institutions (Application of Act) Regulations, 2010 and the regulations and directives of Central Bank of Seychelles.

Basis of Opinion

We conducted our audit in accordance with International Standards on Auditing ('ISAs'). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Bank in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) together with the ethical requirements that are relevant to our audit of the financial statements in Seychelles, and we have fulfilled our other responsibilities in accordance with these requirements and the IESBA Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF

DEVELOPMENT BANK OF SEYCHELLES

Report on the Audit of the Financial Statements Continued

Other Information

The Bank Management is responsible for the other information.

Our opinion on the financial statements does not cover the other information and we do not and will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information that we obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Board for the Financial Statements

The Board is responsible for the preparation of the financial statements in accordance with International Financial Reporting Standards ("IFRS"), Development Bank of Seychelles Decree 1977, the Financial Institutions Act 2004, as amended, the Financial Institutions (Application of Act) Regulations, 2010 and the regulations and directives of Central Bank of Seychelles and for such internal control as the Board determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board is responsible for assessing the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board either intends to liquidate the Bank or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Bank's financial reporting process.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF

DEVELOPMENT BANK OF SEYCHELLES

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of Internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Bank's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Bank to cease to continue as a going concern.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF

DEVELOPMENT BANK OF SEYCHELLES

Report on Other Legal Regulatory Requirements

Financial Institutions Act 2004, as amended

The Financial Institutions Act, 2004, as amenced, requires that in carrying out our audit, we consider and report to you the following matters. We confirm that:

- In our opinion, the financial statements have been prepared on a basis consistent with that of the preceding year and are complete, fair and properly drawn up and comply with the Financial Institutions Act, 2004 as amended and Regulations and Directives of the Central Bank of Seychelles.
- (ii) The explanations or information called for or given to us by the management and employees of the Bank were satisfactory.
- (iii) The Bank did not carry out any fiduciary cuties for the year under review.

Other matter

The financial statements of the Company for the year ended December 31, 2017 were audited by another auditor who expressed an unmodified opinion on April 26, 2018.

INDEPENDENT AUDITOR'S REPORT

Al Salam Bank Seychelles Limited

We have audited the accompanying financial statements of "Al Salum Bank Seychelles Limited", on pages 4 to 28, which comprise the statement of financial position as at 31 December 2018, the income statement including changes in equity and eash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory information. The financial statements have been prepared by management, under the financial reporting provisions of international Financial Reporting Standards (IFRS's) and the Companies Act. 1972 and the Financial Institutions Act 2004, as amended and Regulations and Directives of the Central Bank of Seychelles.

This report is made solely for the Company's members as a body in accordance with Section 158 of the Companies Act, 1972. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company's Members as a body for our audit work. for this report or for the opinion we have formed.

Management's Responsibility for the Financial Statements -

Management is responsible for keeping proper accounting records and for the preparation of financial statements that give a true and fair view of the company's affairs in accordance with the financial reporting provisions of the Companies Act, 1972 and the Financial Institutions Act 2004, as amended and Regulations and Directives of the Central Bank of Seychelles, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error,

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement,

We have no relationship with, or material interest in the company other than in our capacity as auditors and tax and business advisors and arms length dealings with the company in the ordinary course of business.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements and that these are in accordance with the accounting records maintained by the management. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

In our opinion, the accompanying financial statements set out on pages 4 to 28 are completed and give a true and fair view of the financial position of "Al Salam Bank Seychelles Limited" as at 31 December 2018, and of its financial performance and its cash flows for the year then ended in accordance with the, financial reporting provisions of IFRS's and the Companies Act 1972 and the l'inancial Institutions Act 2004, as amended and Regulations and Directives of the Central Bank of Seychelles

Furthermore, we confirm that the explanations or information called from administrators, employees or agents of the Bank was satisfactory and the Bank did not carry out any fiduciary duties during the year under review

SEYCHELLES COMMERCIAL BANK LIMITED

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS

This report is made solely to the members of SEYCHELLES COMMERCIAL BANK LIMITED (hereafter referred to as the "Bank"), as a body, in terms of our engagement to conduct the audit on their behalf. Our audit work has been undertaken so that we might state to the Bank's members those matters which we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Bank's members as a body, for our audit work, for this report, or for the opinions we have formed.

Report on the audit of the Financial Statements

Opinion

We have audited the financial statements of SEYCHELLES COMMERCIAL BANK LIMITED set out on pages 4 to 58 which comprise the Statement of Financial Position as at December 31, 2018, the Statement of Profit or Loss and Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flows for the year then ended and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the financial statements give a true and fair view of the financial position of the Bank as at December 31, 2018 and of its financial performance and its cash flows for the year then ended in accordance with international Financial Reporting Standards and comply with the Seychelles Companies Act, 1972.

Emphasis of Matter

Compliance with the Financial Institutions-Credit Classification and Provisioning Regulations 2010, as amended 2011

Following the adoption of IFRS 9 "Financial Instruments", the Bank was unable to comply with the provisions of the Financial Institutions-Credit Classification and Provisioning Regulations 2010 as amended in 2011, which is still based on the requirements of IAS 39 and to date not updated for those of IFRS 9. Any impact following this update is as such unknown.

Our opinion is not qualified in respect of the above matter.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Bank in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) together with the ethical requirements that are relevant to our audit of the financial statements in Seychelies, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

BDO

SEYCHELLES COMMERCIAL BANK LIMITED

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our raudit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key Audit Matter

The Bank adopted the accounting standard IFRS 9 Financial instruments during the financial year. The standard introduces new requirements around two main aspects of how financial instruments are treated measurement and classification and impairment.

IFRS 9 introduces a new classification and measurement approach for financial assets that reflects the business model in which the financial assets are managed and the underlying cashflow characteristics.

This standard also introduces new impairment rules which prescribe a new, forward looking expected credit loss (ECL') impairment model which takes into account reasonable and supportable forward looking information, which will generally result in the earlier recognition of impairment provisions.

There are a number of significant management determined judgements including: --

- the reclassification of financial assets in accordance with the Bank's business model;
- determining the criteria for a significant increase in credit risk;
- techniques used to determine probability of default (PDs) and loss given default (LGD); and factoring forward looking assumptions.

Implementation of IFRS 9 required some technical modelling which necessitated considerable input of data and assumptions. Consequently the risk that the data and assumptions carry higher credit risks.

The implementation had the effect of an adjustment of SR 1,577,730 to the retained earnings of the Bank at January 1, 2018.

How the key audit matter was, addressed in the audit -

- We gained understanding of the Bank's key credit processes comprising granting, booking, monitoring and provisioning and tested the operating effectiveness of key controls over these processes:
- For provision against exposures classified as Stage 1 and Stage 2 upon initial adoption of IFRS 9, we
 obtained an understanding of the Bank's provisioning methodology, assessed the reasonableness of the
 underlying assumptions and the sufficiency of the data used by the Management.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS

Key Audit Matters (Cont'd)

How the key audit matter was addressed in the audit (Cont'd)

With respect to classification and measurement of financial assets and financial liabilities, our audit
procedures comprised the following:

We reviewed the Bank's IFRS 9 based classification and measurement of financial assets and financial liabilities policies and compared them with the requirements of IFRS 9;

- We obtained an understanding and checked the Bank's business model assessment and the test on the
 contractual cash flows, which give rises to cash flows that are 'solely payments of principal and interest
 [SPPI test] performed by the Bank's Consultant; and
- We checked the appropriateness of the opening balance adjustments.
 - With respect to impairment methodology, our audit procedures comprised the following;
- We obtained an understanding of the Bank's internal rating models for loans and advances and reviewed
 the rating validation report prepared by the Bank's Consultant to gain comfort that the discrimination
 and catibration of the rating model is appropriate. Further, we performed procedures to ensure the
 competence, objectivity and independence of the Bank's Consultant:
- We checked the appropriateness of the Bank's determination of significant increase in credit risk and the
 resultant basis for classification of exposures into various stages,
- For a sample of exposures, we checked the appropriateness of the Bank's staging:
- We checked and understood the key data sources and assumptions for data used in the Expected Credit Loss (ECL) models (the Models) used by the Bank's to determine impairment provisions;
- For forward looking assumptions used by the Bank's management in its LGD calculations, we held discussions with Management and corroborated the assumptions where publicly available information was used;
- We checked the calculation of the Loss Given Default (LGD) used by the Bank in the ECL calculations, including the appropriateness of the use of collateral and the resultant arithmetical calculations;
- We checked the completeness of loans and advances, off balance sheet items, investment securities,
 placements and other financial assets included in the ECL calculations as of 31 December 2018; We
 understood the theoretical soundness and tested the mathematical integrity of the Models;
- For data from external sources we understood the process of choosing such data, its relevance for the Bank's and the controls and governance over such data;
- Where relevant, we used information System specialists to gain comfort on data integrity:
- We checked consistency of various inputs and assumptions used by the Bank's management to determine impairment provisions; and

As a result of the above audit procedures, no material differences were noted.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS (CONT'D)

Responsibilities of Directors and Those Charged with Governance for the Financial Statements

The Directors are responsible for the preparation and fair presentation of the financial statements in accordance with International Financial Reporting Standards and in compliance with the Companies Act, 1972, the Financial Institutions Act, 2004, as amended and the Regulations and Directives of the Central Bank of Seychelles, and for such internal control as the directors determine is necessary to enable the preparation of the financial statements that are free from material misstatement, whether due to fraud or error.

in preparing the financial statements, the Directors are responsible for assessing the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Bank or to cease operations, or have no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Bank's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit-conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to
 fraud or error, design and perform audit procedures responsive to those risks, and obtain audit
 evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting
 a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may
 involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal
 control
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures
 that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
 effectiveness of the Bank's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Directors.
- Conclude on the appropriateness of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Bank to cease to continue as a going concern.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS (CONT'D)

Auditor's Responsibilities for the Audit of the Financial Statements (Cont'd)

Evaluate the overall presentation, structure and content of the financial statements, including the
disclosures, and whether the financial statements represent the underlying transactions and events in a
manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Other Legal Regulatory Requirements

Companies Act, 1972

We have no relationship with, or interests in, the Bank, other than in our capacity as auditors and dealings in the ordinary course of business.

We have obtained all information and explanations we have required.

Financial Institutions Act 2004, as amended and Regulations and Directives of the Central Bank of Seychelles

The Financial Institutions Act 2004, as amended and Regulations and Directives of the Central Bank of Seychelles requires that in carrying out our audit, we consider and report to you the following matters. We confirm that:

- In our opinion, the financial statements have been prepared on a basis consistent with that of the
 preceding year and are complete, fair and properly drawn up and comply with the Financial Institutions
 Act 2004, as amended and Regulations and Directives of the Central Bank of Seychelles except as
 discussed under the Emphasis of Matter paragraph.
- The explanations or information called for or given to us by management and employees of the Bank were satisfactory.
- The Bank did not carry out any fiduciary duties during the year under review.

Other Matter

The financial statements of the Bank for the year ended December 31, 2017 were audited by another auditor who expressed an unmodified opinion on April 27, 2018.
