The financial statements were authorised for issue by the Board of Directors on 30 March 2020 and signed on its behalf by:-

Jean Weeling-Lee (Chairman) Charles Hammond (Director) Akhtar Mohammad Mamode (Director) Johannes Marthinus Van Schalkwyk (Director) Marc Yves Houareau (Director) Michael Charles King-Harman (Director)

The board of directors of Absa Bank Seychelles Limited ("the Company") hereby announce that the company's year-end results for the year ended 31 December 2020 have been substantially lower than the results reported for the year ended 31 December 2019. The outbreak of covid-19 has had a significant impact on the economy and business community. The impact has been significant on the company's credit impairment provisions line given the size of the business as well as the strategies deployed to support the company's customers during this difficult time, through extension of payment holidays and other relief programs. This increase in credit impairments provisions has materially impacted the company's result in comparison to prior year results.

## Approval of financial statements

The audited financial statements have been approved by the Board and abridged for purposes of this report. Ernst & Young has expressed an unmodified audit opinion on the annual financial statements. The signed auditors' report is available for viewing at Absa's Seychelles website ([www.absa.sc](http://www.absa.sc)). The audited financial statements are available for inspection at the Bank's registered address. This abridged report is extracted from audited information but is itself not audited. The auditors' report does not necessarily cover all of the information contained in this announcement. Stakeholders are therefore advised that in order to obtain a full understanding of the nature of the auditors' work they should view the report together with the accompanying financial information.
