**MUTUAL ASSISTANCE IN CRIMINAL MATTERS ACT
(AMENDMENT) BILL, 2023**

(Bill No. 15 of 2023)

EXPLANATORY STATEMENT

The object of this Bill is to provide for the designation of other bodies as approved requesting authorities able to make requests for mutual legal assistance in terms of this Act. Currently the law stipulates the central authority as the Attorney General or any authority designated as the central authority for Seychelles, however with the current wording there is no room for there to be an authority that can make requests without necessarily being a central authority.

This amendment therefore ensures that the concept and framework envisaged in the FATF (Financial Action Task Force”) recommendations of having one central authority is maintained and then the law makes provision for any other body or authority to be designated instead as an approved requesting authority and be given such powers to allow for it to make requests on its own.

This amendment further makes provision for every request made by such approved requesting authority in the performance of such duties, is notified to the Attorney General as the central authority as well as being the custodian of the central database relating to mutual legal assistance. This allows for transparency and guidelines being given to an approved requesting authority in performing its duties.

Dated this 15th day of September, 2023.
